

Flight Testing the F-16XL at Edwards AFB

23 year USAF veteran Ed Thomas will share his experience directing the flight test program of the F-16XL at Edwards AFB. Col. Thomas will also illustrate how to create a structured flight test approach to a new aircraft. After the seminar participants will be able to explore some of Gauntlet Warbirds' aircraft, including our Decathlons, T-6s, Extra 300L, Stearman, and L-39.

Directions: Enter through Gauntlet Warbirds offices. As soon as you turn off of US 30 to enter the airport, make an immediate right. Pass the large white hangar and turn left. You will see Gauntlet on your left. Parking is available in front of our offices and west of the south ramp extension.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
